The house is lovely, the view incomparable
and we have felt very welcome and comfortable.

Thankyou!

Our only request - please consider the possibility
of a black-out blind in the back bedroom -
to hide the orange street light which we know
is outside your control!

We would love to stay again. Ivar has found
so much to sketch and paint and we never
realised what a jewel North Wales was.

With all best wishes

26 May (Whoops - wishful thinking!)

26 June for a lovely week

2010

We have had a lovely time staying in Tyngas.
The house is very comfortable and was
spotlessly clean.

We have really enjoyed exploring the region
and very much appreciated the recommendations.
Our little MRL has loved it here (thanks for
the stair carrier!) and we have had great
days out at the Mountain Zoo (better than
the London Zoo!) and the Sea Zoo, etc, etc - so
much to do for everyone.

Conwy is delightful and having our own
beach to come home to has been a godsend.
We'll miss waking up here.....!

THANKS FOR MAKING THIS A
GREAT HOLIDAY,

To Cerys & family

Thank you; your beautiful cottage is clean, comfortable & very well-appointed, & we particularly appreciated the extra touches like wine on arrival & the binoculars for spotting wildlife in the Marina! The cottage is an excellent base for enthusiastic walkers like ourselves; even if the weather did keep preventing us from climbing Snowdon there are still stunning walks around the Anglesey coast & Orme Head.

Thanks for making this a fantastic holiday. We'd recommend this cottage without reservation & hope to return ourselves.

Wow! What a lovely place to stay, the house & scenery are both fantastic.

As a family we loved crabbing from the Beacon's sea platform. We had a fantastic day out at Greenwood Forest Park & would recommend it for a great family day out.

Ty Glas was the ideal location to explore North Wales, with many attractions within a 30 minute drive.

We have had a wonderful week

Many thanks for a wonderful holiday. Not only did we have a lovely base from which to explore from, but we also had the best weather of the summer! Gorgeous house - thank you for such a lovely clean environment, and lovely space to come home to. We all thoroughly enjoyed our pre-back-to-school break.

Can't wait to return!

18th - 25th September 2010.

A lovely little house, so thoughtfully decorated and equipped. Very comfortable and lovely views.

We recommend the food at 'Shakespeare's' in the Castle Hotel, and the 'Old Bulls Head' at Beaumaris on Anglesey. Backyard garden is wonderful and so also is the walk to the Aber Falls. Absolutely stunning. We have really enjoyed our time here, charging up the batteries for the winter ahead!

We have had such a lovely stay here on the Marina - the house is perfectly placed and so clean and comfortable - Thank you!

The kids have loved going on their bikes along the path each evening to the beach as one last burst of activity before bedtime!

October 2010

Thank you for a lovely holiday. We booked a very last minute short break and we had more than we bargained for. The house was warm & welcoming, it was a pleasure to return to each evening and hard to leave each morning (and very difficult to leave today to go home). The weather turned very kind, I've had to pack all the sweaters & heavy cardigans unworn. Unheard of for Wales in October!

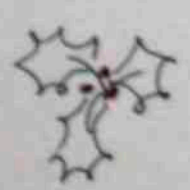

Thank you once again

Janine & Rod.

Neele and Trisha Budd looked out
On the feast of Stephen
Still the snow lay all about
Icy and quite lethal
Undeterred we ventured out
Tho' the frost was cruel
Ty Glas so cosy cos' we'd paid
Extra for the fu^uel.

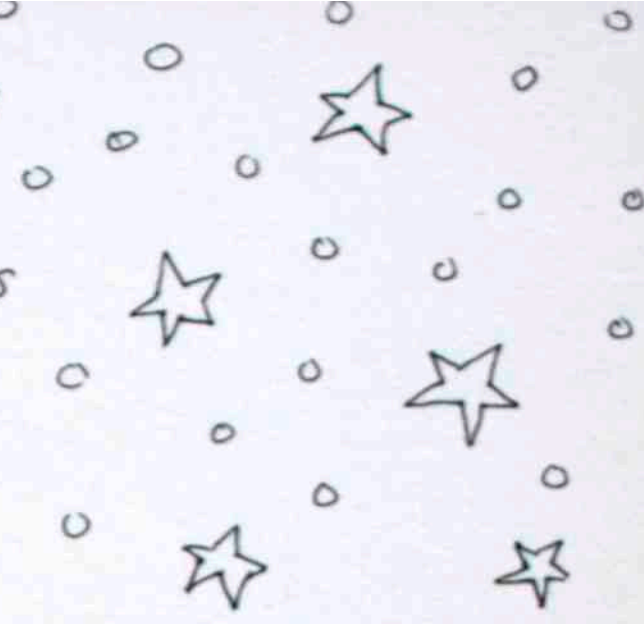

Up the zig-zag path we walked
Onwards to the summit
Christmas lunch & bowl of soup
Then we walked 'til sunset
Brightly shone the Christmas lights
On the tree you left us
Slept so well, such silent nights
On beds as soft as feathers
